AbdulRehman

Frontend Developer

I am a Front-end Developer. I have built multiple Websites from scratch**.** I can convert designs in HTML and CSS templates with perfection. I use plain CSS with SASS often but I know bootstrap and able to build sites with it. I am good with JavaScript and do great things with JS and JQuery. These days I am learning React.

SKILLS

HTML / CSS / SASS / Bootstrap / JavaScript / GIT / WordPress / Photoshop / Adobe XD
